Highlights

Powerful TV sound
Hear more in everything you watch and every track you love. 2.1 channels bring out the best in effects, score and dialogue. The built-in subwoofer lets you feel the bass, whether you're listening to music or watching an action movie.

Bluetooth audio
Link your mobile device via Bluetooth and play your favourite sound tracks with the enhanced sound performance of the soundbar.

Easy set up and cloning
Easily configure the soundbar settings through the professional setup menu on the MediaSuite TV. All related settings can be copied and transferred to other TVs through cloning.

Controlled clearing
Linked to the user data clearance of the TV, it will be ensured that the Bluetooth pairing information from the used mobile devices will also be cleared.

Smart power cable
With the specially designed power cable adapter, only one power socket is needed to power both the Soundbar and the TV.

Freedom of placement
Conveniently placed on a surface or mounted with the included wall brackets, the sleek trapezoid design looks great in any setting.

Anti-theft
Discourage unauthorised removal of the device with the anti-theft cable included.
